

Raft Island Improvement Association

Bridge Jumping/Diving Policy

Subject: Jumping/diving off the Raft Island Bridge

Purpose: Because jumping/diving off the Raft Island Bridge or dock railings is a dangerous undertaking that also opens up the association to possible legal suit, no jumping/diving off the bridge or dock railings is authorized under any circumstances.

Policy: *RIIA members will be fined \$150 per jump/dive if they, a household member, guest, renter, et al. jumps/dives off the bridge or dock railings.*

Scope: This policy is applicable to all members of RIIA, their households, guests, renters, et al.

Members: All RIIA members will insure that members of their household, guests, renters, et al. are knowledgeable of this policy.

Bridge Chairman: Insure that notice of this policy is prominently displayed on the bridge.

Security Chairman: Insure that this policy is enforced.

Procedure: All infractions of this policy will be brought before the Board of Trustees for adjudication and the member notified of the date and time.

Secretary: Insure that the member is informed in a timely manner.

Treasurer: Insure that the member's account is charged appropriately for each infraction as directed by the Board of Trustees.

Approved by the Board of Trustees on July 16, 2012.

Revised by the Board to include renters August 20, 2018.
